O/Re. DO/CTP Safety Certificate 09.0984 Customer

**SAFETY CERTIFICATE FOR
FOOD CONTACT APPLICATIONS**

Product: Maine 1 Face

The validity of this certificate relies upon:

- The following regulation texts:
 - **French Decrees No 92-631, 2007-766 and 2008-1469**
 - **German BfR Recommendation XXXVI (June 2007)**
 - **Regulation (EC) 1935/2004**
- The composition and the normal and foreseeable conditions of use of the product, the specific restrictions of use of non fibrous raw materials respect and the safety certificates of them,
- The sample taken and provided by ArjoWiggins Graphic.

The product was tested according to the standards methods for testing papers and boards intended to come into contact with foodstuffs and recommended by the regulation texts above mentioned.

Using the elements above mentioned, we certify that the criteria of composition and purity given by **French Decrees** and **German BfR Recommendation XXXVI** are respected for an end-use of the paper "Maine 1 Face" in contact with dry, wet and/or fatty foodstuffs in normal and foreseeable conditions of use (contact temperature with food less than 40°C). Moreover, the product above mentioned is in conformity with the **Regulation (EC) 1935/2004**.

The present certificate is valid from 1st October 2009 as long as no modification comes to affect the elements according to which it has been established, and this for 5 years maximum.
